

Greetings all lovers of Loch,

The shire is running a meeting from 4:30 to 6:00 pm on Wednesday 16th May at the Loch Public Hall. This is to allow the shire to disseminate information about the streetscape and allow for comments and questions.

The shire intends carrying out the first stage of the plan fairly early in the next financial year. Minor changes to the plans may be considered.

If sufficient funds are available, other stages of the plan may be implemented and input into prioritising these would be welcome.

Copies of the proposal have been left with some of the traders in Victoria Rd and a copy will be on the display board outside Carringtons.

Electronic copies are available (1.8 MB) and can be emailed upon request.

Please send an email to: committee1@lcda.org.au
